

JOSEPHINE Sasso
New York

Dear

The purpose of this letter is to inform you of our policy for sizing and also to obtain confirmation from *you* of the exact size garment(s), we will be ordering for you.

Either you have tried on "Fit Samples" at one of our store locations, or you've selected your appropriate size based on *our* size specification chart. If you have selected your size in this manner, we only guarantee that the garments will measure exactly as stated on the size specification chart.

All of our long skirts and dresses will measure 43" in length from the natural waist to the hem, unless otherwise specified. The lengths of the short dresses vary according to each style. Please be advised that if you are 5'7" or taller may require extra length on long skirts or dresses.

Your order is as follows:

Style #	Fabric	Color	Size	Please check for extra length

Please sign below to verify that the above information is correct.
